

CERTIFICATE

ENERGY MANAGEMENT

The company

STG-BEIKIRCH GmbH
Trifte 89
32657 Lemgo-Lieme

has introduced and implemented an
Energy Management System
for the scope:

Development, manufacture and sale of assembly units for SHE, SP and ventilation systems featuring conventional and Bus-technology; components for door arresting systems and custom electronic devices as well as the planning, fabrication, implementing, installation and maintenance of natural ventilation systems as well as smoke and heat extraction systems

Proof has been furnished that the requirements according to

DIN EN ISO 50001 : 2011

are fulfilled.

Compliance with the above standard was ascertained by an energy-audit.
The whole energy quantity is considered within the certified management-system.
This certificate is valid from December, 9th 2019 until August, 20th 2021.

ESC Cert GmbH

Kassel, December, 18th 2019
